Surviving Divorce Program Training Day

Surviving Divorce is a 12-session video-based program from Ascension Press that was created to bring hope and healing to those who have experienced the pain and loneliness of a broken marriage. When utilized in a support group setting and led by a trained facilitator, this program is designed to help newly separated and divorced, along with those still struggling with issues many years later, find answers to their questions, restore hope, and begin authentic healing. Developed and hosted by Rose Sweet, *Surviving Divorce* features experts Dr. Ray Guarendi, Ph.D., Fr. Donald Calloway, M.I.C., Fr. Steve Porter, S.T.L., Fr. Mitch Pacwa, S.J., and Christopher West. It also includes personal testimonies of Catholic men and women who have experienced the breakdown of their families. They courageously share their stories with heart, humor, and wisdom.

Join program creator, Rose Sweet, for inside tips on starting, running, and successfully managing your *Surviving Divorce* support group at this facilitator training day. With nearly 30 years' experience, Rose shares with heart and humor many disaster and success stories from real-life situations. The full-day training covers an understanding of your roles and responsibilities as a leader/facilitator; ministering to group participants; understanding the program and how to get started using it; problem solving in difficult situations; and more.
